DECADES

We hope to be as our Company name means so we assure you that we can offer better facilities and services for the Clients. The steady and consistent growth is always our goal; therefore, we are trying to get good projects that ultimately take us to forward steps.

Believing that the standards are the only way to get magnificent results, we always search for trained technicians and skilled labors.

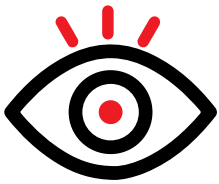

The steady and consistent growth and the diversification of operations gave TARC a solid step in various aspects of the market, especially in HVAC fields. The vast reputation in contracting did not hinder TARC from establishing a committed trading sector that holds a reputed agency.

## MAINTENANCE SERVICE

We offer complete maintenance of HVAC systems for industrial, commercial and residential buildings. Maintenance prolongs the life of your facility, boosts efficiency and ensures that you are always comfortable. We offer the most cost-effective and efficient services with a high degree of trust and reliability.

## VISION

To continue being efficient in the field of Trading & Contracting working in an ethical and balanced manner to earn the privilege of being the General Trader & Contractor of choice.

Revolutionize our industry through innovation and technology.

We will be the most valued business partner of all our customer.

## MISSION

Dedication and devotion all the way.

Excel in every action that strengthens our broad base business relations.

Provide unsurpassed levels of customer services.

To be the best heating, ventilation, air conditioning company who creates life long relationship with our customers and employees, by exhibiting excellent character with 100% customer satisfaction.

## VALUES

### Teamwork

We recognize our primary asset is people. To be successful, TARC must be a rewarding place to work. We provide opportunity and encouragement to help our people reach their potential. We work with our clients as a team. Mutual respect provides the foundation for our success.

### Integrity

We remain true to our founding values of quality, honesty and hard work. We have the highest ethical standards in the industry. We “do the right thing”. TARC is a business based on trust. TARC is consistently associated with the high standards of service, quality, personal attention to clients, and integrity.

### Commitments

We are proactive in finding solutions for our clients that best achieve their goals. We understand that lasting relationships are the lifeblood of our business so we pay personal attention to our clients by focusing on them as individuals. We referred to our clients appropriately, as our “respected friends”.
